FAN[®]

INGENIOUS AUTO BODY REPAIR

FAN 24*
months warranty

0601-452 Shrinking electrode
0601-472 Electrode for washers & studs
0805 Carbon shrinking electrode

0805-01 Electrode for pigtail wires
0805 Back-claw
0805-02 Pigtail wires

0602-12 Quick-pull hammer, head for nail electrode + head for washers

The functionality of the FAN **UNIVERSAL WELDING GUN** is unsurpassed. Lightweight, ergonomic design offers easy and all-day comfort handling.

FAN **PULLFLEX** is **THE PROFESSIONAL TOOL** for the precise and problem-free levelling of dents. **PROGRAMMED TO TECHNICALLY ANALYSE** tricky and inaccessible areas such as car body **EDGES AND CONTOURS**.

DESIGNED TO MEET THE HIGHEST DEMANDS with 2,500 Amp output, **COMPACTNESS** and a robust casing, operational **VERSATILITY** and **RELIABILITY**. Moreover, the cost efficiency of the repair process is significantly increased owing to low initial outlay and easy handling. FAN products have been **TRIED AND TESTED** in the field and are based on **30 YEARS OF EXPERIENCE** in the restoration and auto body repair industry. FAN your reliable partner – worldwide!

* FAN 24-months warranty valid for the transformer and electronics.

Technical data

PROTON B

Supply voltage	single-phase 230V/50Hz
Mains fuse protection and supply lead	16 A delay fuse / 3 x 2.5 mm ²
Max. welding current	2,500 AHP
Max. welding output	15 kVA
Rated power at 50 % duty cycle	1,410 VA
Continuous output	1,000 VA
Continuous current sec.	200 A
Welding current	9 kA
Open circuit voltage	10 V
Insulation class	F
Protection class	IP 21
Air cooling	AF
Thermal time constant	16 Min.
Weight (without trolley)	12 kg

Incl. in package

Microprocessor-controlled power pack
FAN PROTON B
FAN-Air-Cooling-Control
Transport case
Gun cable 1.60 m, with spot welding gun
Earth cable 1.60 m, with earth clamp
FAN PULLFLEX
Quick-pull hammer
Head for nail electrode
Head for washers
Back-claw
Shrinking electrode, electrode for washers & studs,
carbon shrinking electrode, electrode & pigtail wires
Starter set pigtail wires and carbody washers

Re-order items

0601-9999 Car body washers small 100 pcs.
0601-9998 Car body washers large 100 pcs.
for quick-pull hammer
0602-0001 Nail electrodes, 5 pcs.
0805-01 Electrodes for back-claw, 1 piece
0805-02 Pigtail wires, 20 pcs.
0400-05 PULLFLEX Silicone pads

Optional
mobile service station
